

The official newsletter of Explore Montessori & Academy

A photograph showing three young children sitting around a light-colored wooden circular table, engaged in sensory play. The child on the left, wearing a blue long-sleeved shirt, is using a red spoon to mix a white substance in a small brown bowl. The child in the center, wearing a green and black shirt, is holding a small orange pom-pom over a blue bowl filled with similar pom-poms. The child on the right, wearing a grey sweater, is using a blue tool to manipulate white pom-poms in a blue bowl. Various sensory materials like beads, pom-poms, and small containers are arranged on the table. A book titled 'Sensory Play' is visible on the right side of the table. The background shows a wooden shelf with more sensory materials and a book titled 'Sensory Play'.

AUTHOR SPOTLIGHT

Explore Guide Spotlight

Miss Jess, Pre-Primary

How long have you been working with children?

I have worked with children ages 0-5 for 14 years, 6 years with a degree.

What is your favorite part of working with children?

The innocence, wonder, curiosity and joy they bring with them!

What is your favorite part of working at Explore?

The support from Jessica and Marianne to use best practice and run a classroom based on research, developmentally appropriate activities, and interactions.
